ABOUT US

The Annual Meets serve as a prestigious platform to bring together leaders, **innovators, researchers, and professionals** from diverse fields to exchange knowledge, foster collaborations, and inspire new ideas. Organized by **Neo Art Excellence Hub**, these gatherings are designed to **celebrate achievements, share advancements, and shape the vision for future growth.**

Our Purpose

We believe that technology alone doesn't change the world—people do. That's why we created a space where clinicians, AI developers, academic researchers, startup founders, investors, and health policymakers can come together, challenge ideas, and co-create the future of medicine.

What Makes Us Different

Interdisciplinary Focus: Medicine, Data Science, Ethics, Regulation, and Product **Hybrid Accessibility:** Global webinars + local impact through physical summits
Interactive Format: Use-case demos, panels, and real-world case studies **Outcome-Oriented:** Abstracts, publications, investor pitches, and awards **Emerging Voices:** Special emphasis on early-career innovators and researchers from developing countries
